Committee on the Rights of the Child
Seventy-fourth session
16 January-3 February 2017
Item 4 of the provisional agenda
Consideration of reports of States parties

List of issues in relation to the second and third periodic reports of the Republic of Serbia

The State party is requested to submit in writing additional, updated information (10,700 words maximum), if possible before 15 October 2016.

The Committee may take up any aspect of children's rights set out in the Convention during the dialogue with the State party.

Part I

In this section, the State party is requested to submit its responses to the following questions.

1. Please clarify whether the draft Law on the Rights of the Child, referred to in paragraph 7 of the State party's report (CRC/C/SRB/2-3), provides for a statutory definition of the term 'child' in line with Article 1 of the Convention. Please inform the Committee which body is currently responsible for coordinating activities in the area of children's rights and provide an update on the current status of the National Council for Child Rights.
2. Please indicate if any follow up measures have been taken to assess the impact and results of the National Plan of Action for Children (NAP) since 2010, in particular in relation to children's health, children's access to services, quality education for children and child protection. Please also describe how the Plan of Action has been used in practice to monitor programmes and services targeted at child development and child protection. Please provide information on any subsequent plans to establish a policy framework since the expiration of the NAP in 2015, including on how such a framework will build on the previous plan.
3. Please provide information on the outcome of the action plans (2009-2011 & 2013-2015) established through the *Strategy for the Improvement of the Status of the Romani Community in the Republic of Serbia* referred to in paragraph 41 of State party's report (CRC/C/SRB/2-3). Please inform the Committee about any other measures taken to prohibit and eradicate the continuing discrimination against Roma children, children in

alternative care, children with disabilities, migrant children, refugee and asylum-seeking children, children living in remote areas, children in street situations and LGBTI children.

4. Please provide the Committee with updated information on the measures taken to reach universal birth registration, particularly for the Roma community, through amendments to the Law on Non-Contentious Procedure, and the results thereof.

5. Please provide updated information on measures taken to prevent and combat all forms of violence against children, including through implementation of the General Protocol and Special Protocols on the Protection of Children from Violence, particularly by professionals working within the judicial and health sectors. Please inform the Committee about available access to remedies, as well as means to ensure that child victims of violence can access local support structures. In particular, please specify what measures are being taken to tackle violence against children in schools, as well as against children with disabilities. Please also provide updated information on current awareness-raising activities and campaigns aimed at combating all forms of violence against children.

6. Following the State party's response to Universal Periodic Review recommendations on corporal punishment in 2013 indicating that corporal punishment would be banned in all settings, please update the Committee on what measures have been taken in this regard. Please further clarify whether the proposed new Civil Code and amendments to the Family Law explicitly prohibit corporal punishment in all settings, including in the family.

7. Please provide information about measures taken to monitor and protect the rights of children placed in care facilities and in foster families. Please also indicate what measures have been taken to prevent the separation of children from their families, in particular for social and economic reasons. Please also inform the Committee about measures that have been taken to expedite the deinstitutionalisation process, and ensure implementation of provisions outlined in the 2011 Social Welfare Law that limit the number of children per residential institution to 50.

8. Please inform the Committee of the existing programmes and policies to support families in disadvantaged situations, including through financial support, in order to prevent separation of children from such families. Please also provide information on the monitoring and assessment mechanisms employed to ensure targeted family support to families with children with disabilities. Please also identify measures taken for their effective inclusion in mainstream schools.

9. Please provide information on the measures taken to tackle high rates of infant and under 5 mortality among Roma children, and to improve maternal and infant health services, as well as on the availability of general health services for Roma children, by improving regional access to adequate institutional and professional capacities and strengthening outreach services.

10. Please provide the Committee with a detailed update on measures taken to ensure inclusive education for all children and to eliminate regional disparities in both the quality of education and resources provided. In particular, please indicate what measures have been taken to ensure pre-school attendance by children living in poverty, Roma children and minority children and to increase enrolment and completion rates of primary education by Roma children and to prevent Roma girls from dropping out. Please also inform the Committee about any developments regarding the number of educational assistants in schools.

11. Please inform the Committee as to what steps have been taken to follow up on recommendations outlined in the Protector of Citizen's report on Child Begging in the

Republic of Serbia. Please also explain the reasons behind a decision taken by the City of Belgrade to discontinue support for the Drop-In Center for Street Children in 2014.

12. Please provide the Committee with an update on efforts to reform the juvenile justice system as referred to in paragraph 129 of the State party's report (CRC/C/SRB/2-3), including information on the status of the Law on Juvenile Criminal Offenders.

13. Please provide detailed information on the measures taken by the State party to implement the Committee's previous recommendations on the Optional Protocol on the sale of children, child prostitution and child pornography (CRC/C/OPSC/SRB/CO/1), and in particular with regard to ensuring that an explicit definition of the sale of children is incorporated into the Penal Code, in accordance with articles 2 and 3 of the Optional Protocol. Furthermore, please provide information on whether the State party has established and exercises extraterritorial jurisdiction over all crimes contained within the Optional Protocol.

14. Please provide detailed information on the measures taken to implement the Committee's previous recommendations on the Optional Protocol on the Rights of the Child on the involvement of children in armed conflict (CRC/C/OPAC/SRB/CO/1), in particular, with regard to explicitly criminalising the recruitment of children by the armed forces and by non-state armed groups. Please also inform the Committee as to whether the State party has established and exercises extraterritorial jurisdiction over all crimes contained within the Optional Protocol. Furthermore, please provide detailed information on the mechanisms in place, to identify migrant, asylum seeking and refugee children (particularly unaccompanied children), who may have been recruited in armed conflict abroad upon entering the State party and indicate what measures are in place to ensure that they are provided with psychological assistance, and to assist with their rehabilitation and reintegration into society.
